An Urgent Appeal

Date: 26/08/2026

Subject: Urgent Appeal for Humanitarian Assistance to catastrophic Flood-Affected Communities in Nepal

Dear Sir
Assalamoalikum

We hope this letter finds you in good health and high spirits.

We are writing to bring to your kind attention the urgent devastating humanitarian situation caused by the recent dam burst flooding in Nepal. The morning of 26 August 2026 was the **very sad and mournful morning**.

On the early morning of **26 August 2026**, floodwaters reportedly entered Nepal from the Tibetan side through the **Bhotekoshi River**, sweeping away whole city of the Syafrubesi, Tamor, Trisuli Bazar and its surrounding village (120 kilometer far from the capital city of Kathmandu). All the **houses, shops and bridges** had been collapsed.

There is no **food, no safe drinking water, no temporary shelter, no clothing, no hygiene supplies, and no other basic necessities**. We can understand the worst situation of Children, women, elderly persons and disable people.

The Government of Nepal has intensified search, rescue, and relief operations through the mobilization of the **Nepal Police, Armed Police Force and Nepali Army**. The **Social Welfare Council has also appealed to national and international NGOs and humanitarian organizations to extend support for emergency relief operations**.

In response to this emergency, **Islami Sangh Nepal** intends to provide immediate humanitarian assistance to the affected communities. Identified on the ground, the emergency response includes all the item mentioned above.

Considering the large magnitude of the disaster and our limited available resources, **we humbly appeal to your respected organization for urgent financial and humanitarian support**. Your generous contribution will enable Islami Sangh Nepal to reach victim and displaced families quickly and provide them with the essential relief during this critical period.

Your timely support can help **save lives, reduce suffering, protect victim, and restore hope** among communities that have lost their homes, livelihoods and their belongings due to this flooding.

We look forward to your urgent positive response and kind support.

Sincerely,

Dr.Shamim Ahmad
President
Islami Sangh Nepal
